PUBLIC SERVICE ANNOUNCEMENT
April 3, 2020

Capital Transit service changes due to construction in Downtown Juneau

Capital Transit is adjusting routes for all buses servicing Downtown Juneau due to the Alaska Department of Transportation & Public Facilities’ Egan Drive Improvements Project. Bus service changes go into effect Monday, April 6 and will last throughout the construction season. Please note this work is weather dependent and may be delayed.

Bus service will follow the same modified routing in the downtown area as last summer’s construction season. This map shows the modified bus routing.

Changes to Capital Transit bus service:

- Transfers will occur at the Senior Center on F Street, instead of the Federal Building and State Museum.
- Outbound buses will leave the Federal Building 2 minutes earlier than normal to facilitate transfers at the Senior Center at 12th and F Street. For example, Routes 1, 3, 4, and 8 will leave the Federal Building at :13 minutes and :43 minutes after the hour, instead of :15 and :45.
- Inbound buses (Routes 1, 3, 4, 8, 9, 10, 12, 14, and 16) will go directly to downtown from the Senior Center via 10th Street and Egan Drive. No inbound service to the Federal Building, Foodland IGA, and State Museum stops for these routes.
  - For inbound passengers trying to get to these stops, the options are:
    - Transfer to an outbound Route 1, 3, or 4 at the Downtown Transit Center.
    - Wait times for these transfers are about 10-15 minutes for either option.
  - For passengers trying to get to downtown from these stops, they can take the outbound Valley bus (Route 3 or 4) to the Senior Center and transfer to an inbound bus going to downtown.
- The bus stop at the State Museum on Whittier Street will be closed.

For more information, contact Capital Transit at 789-6901.
