INFORMATION RELEASE
March 27, 2020

CAPITAL AKcess limits van capacity to two passengers

In an effort to promote social distancing, and for the health of Juneau riders and van operators, CAPITAL AKcess is currently limiting van capacity to two (2) riders.

CAPITAL AKcess riders should only use the van service for essential trips, such as:

- healthcare appointments and pharmacy visits
- grocery shopping
- employment at a critical job

These changes go into effect immediately. CAPITAL AKcess understands the inconvenience this may cause for many riders, but appreciates the community's understanding and patience.
